

POLICY & CHIROPRACTIC CARE FEES

Cancellation Policy:

Your appointments are scheduled to provide the best possible outcome for your case. Please make it a priority to come to all of your scheduled appointments. Should you frequently forget, miss or cancel an appointments without a 24 hour notice, you will be billed a \$25.00 missed appointment fee. You may reschedule for a same day appointment if a scheduling conflict arises. _____ **Initial**

Pre-payment Policy:

Dr. Strauss offers several payment options to make your chiropractic care more affordable. If you purchase a package of visits at a discounted price, you receive the discount only if all the visits are used in the package. Should you request a refund of your package when you have visits remaining, the used visits will be counted using the regular office visit fee and subtracted from the total payment price. The remainder will be returned to you within 14 days. _____ **Initial**

Financial Responsibility Policy:

I understand that I am responsible for all charges for services provided by this office. If my insurance denies payment for any service or only pays partially for any service, I understand that I will be responsible for the remaining charges. _____ **Initial**

Please provide a valid credit card number for any outstanding unpaid balances.
We will notify you in advance if any payments are required.
